

GOOGLE MY BUSINESS:

Free Business Listing to Get Easily Found Online

Google My Business is an essential and effective small business marketing tool for your business, it is a free tool to promote your business profile and website on Google Search and maps. You will need a Google Gmail account.

After you have signed up for GMB, you should optimize your listing by adding; photos, videos, images, menus, hours, business details, products/services, post events and offers, and more!

- ✓ Sign up for Free: [Google My Business](#)
Google will verify your business which may take a few days. Most businesses are verified by mail with a verification postcard from Google.
- ✓ [Verify Your Business](#) Google 1 minute video
- ✓ After verification is complete, follow the optimization instructions: [Google My Business 13 Essential Optimizations](#)
