

Governor's Institutes of Vermont

VERMONT TECH

Randolph Center Campus

Entrepreneurship Institute

July 6 - July 12, 2019

A fun, experiential "hands-on" residential program for students entering 10th - 12th grades (fall 2019) in any program of studies or career pathway

SOCIAL ENTREPRENEURSHIP AND BUSINESS FOR GOOD

- Gain valuable insight from entrepreneurs who share their stories and experiences
- Enhance creativity to spark and develop profitable ideas positioned for success
- Assess strengths and opportunities; learn how to develop a winning team
- Option to earn 3 college credits with dual enrollment (no cost) vouchers
- Have an unforgettable experience that's fun, exciting, empowering - that sparks long-lasting friendships — plus lots more!

This is your chance to be a key player in positive social change, by bringing your ideas, your passion and your curiosity about business to this innovative and exciting program!
